ADMISSION NOTICE: 2017 – 18
CLASS - KG

IMPORTANT POINTS

• Admission will be based on evaluation of child’s intellectual-physical growth and parental attitude.

• All students seeking admission into School have to sit for an interaction with both parents.

• Date and Time of interaction as selected during the admission process can’t be rescheduled again. Please do not come up with such requests. Parents who fail to attain the interaction will be considered to have withdrawn and their registration will be cancelled. The school will neither entertain any request/correspondence in this respect nor registration fee paid will be refunded.

• Parents of selected students will be issued Admission and others forms from the School Reception on the production of Bank Pay-In-Slip for registration.

• An Identity Card & Escort Card will be issued on the day of receiving Books. Only Father, Mother or a person identified by them can take custody of the student from School.

• The School does not have transport facilities for the students. It is the parents’ duty to arrange for proper and reliable transport for their children (if they live away from the school). The reliability of the transporter must be thoroughly assessed. The responsibility of the School ceases after handling over of the students to either parents or persons identified by parents to bring/take over the child.

• The decision taken by the Admission Committee and conveyed by the Principal shall be final.
